WEST COVINA NEIGHBORS

supports

OLLIE CANTOS

City Council District 4

Here's why:

Ollie will push to control spending, to increase support for law enforcement, to tackle homelessness, to revitalize public spaces, to encourage grassroots community involvement, and to bring back transparency.

"There are so many issues upon which we agree as opposed to on which we disagree. So, if we focus on areas of commonality, we may unite together to do far more than what could possibly have been achievable alone."
