FOURTH: No services to be compensated for pursuant to Paragraphs Third and Ninth hereof shall be performed unless said City shall have available funds previously appropriated to cover the costs hereof.

FIFTH: In the event the City desires to have rodent control and extermination measures undertaken by the County, it is expressly and mutually agreed that the City shall

compensate the County for the cost of providing said service, as defined in Paragraph Ninth hereof. Further, it is expressly understood that the City shall notify the County Health Officer of its intent to avail itself of rodent control or extermination; that the City shall set aside a sum sufficient to cover the cost of rodent control or extermination; that the County Health Officer shall be notified of the amount set aside for the control and suppression of rodents; and that the County shall not exceed the amount set up by the City unless expressly authorized in writing to do so by the City.

If the City desires monthly billing it shall notify the County in writing, otherwise billing periods shall be fixed by the County.

ELEVENTH: Notwithstanding anything hereinbefore contained, it is agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied.

by said City at its own cost and expense.

TWELFTH: All persons employed in the performance of such services and functions for said City shall be County employees, and no City employee as such shall be taken over by said County, and no person employed hereunder shall have any City pension, civil service, or any status or right.

For the purpose of performing such services and functions, and for the purpose of giving official status to the performance thereof, every County officer and employee engaged in performing any such service and function shall be deemed to be an officer or employee of said City while performing service for said City, which service is within the scope of this agreement and is a municipal function.

THIRTEENTH: City shall not be called upon to assume any liability for the direct payment of any salaries, wages, or other compensation to any County personnel performing services hereunder for said City, or any liability other than that provided for in this agreement.

Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee for injury or sickness arising out of his employment.

FOURTEENTH: County, its officers and employees, shall not be deemed to assume any liability for intentional or

Said fees shall be retained by the Health Officer for the benefit of County as full compensation for the services performed by the Health Officer in the enforcement of said ordinance provisions, except that any court time spent in the enforcement thereof shall be compensated for in accordance with Paragraph Third hereof. In the event and whenever County Ordinance No. 7583 is amended to change the amount or amounts of any of the said permit fees, City shall at once amend its ordinance to provide permit fees in the exact amount as those designated in the County Ordinance as amended.

In the event that the City elects to set, collect and retain its own permit fees, it shall so notify the County Health Officer, and shall thereafter pay the cost of the service under this paragraph pursuant to Paragraph Ninth.

SIXTEENTH: The County agrees to enforce the provisions of Division 13, Part 2 of the Health and Safety Code of the State of California, relating to the sanitation, maintenance, use and occupancy of mobile homes and mobile

home parks and as may be requested pursuant to such sections by the City. It is understood that any such requests shall be in writing, directed to the County Health Officer and specifically designate the services to be required pursuant to any or all of the above sections of the Health and Safety Code. Such notification to the County Health Officer from the City shall indicate the election of the City that the City agrees either to pay the cost as defined in Paragraph Ninth hereof for the enforcement of said provisions of Division 13, Part 2 of the Health and Safety Code or that the City desires the County Health Officer to collect and retain the annual operating permit fees as prescribed in Division 13, Part 2 as full compensation for services performed by the County Health Officer.
